**Come Join our Top-Notch Team of Exercise Technicians at Premier Physical Therapy and Sports Performance!**

**Premier PT announces openings for exercise technicians in Lewes, Delaware.**

## **Premier Physical Therapy and Sports Performance**

has created an environment that embraces and rewards evidence-based clinical excellence and genuine care for patients above all else! Our goal is to be the regional leader in clinical excellence providing the best outcomes for our patients. Our team can't meet that goal without energetic and professional exercise technicians to help the patients at all levels of their care.

The team at Premier Physical Therapy and Sports Performance believes strongly in educating and molding the allied health professionals of the future! We are active in education and mentorship at all career levels. We provide internship and externship experiences to local high school and college students, and we are the clinical instructors for 5 major physical therapy and one local physical therapy assistant program in the area. Joining our team as an exercise technician has been, and will continue to be, the entry to the path to becoming a successful allied health professional!
