

Looking to Join the Top Sports Medicine Team in Delaware?

Come Join our Growing Team of Top Athletic Trainers at Premier Physical Therapy and Sports Performance!

We currently have a position for a full-time Athletic Trainer of any level of experience to join our team in Dover, DE.

Premier Physical Therapy and Sports Performance has created an environment that embraces and rewards Athletic Training clinical excellence! Our goal is to be the regional leader in the sports medicine team approach, providing the best outcomes for our athletes. Our outstanding Athletic Trainers drive that mission!

Premier Physical Therapy and Sports Performance strives to foster healthy collaboration between all members of the sports medicine team, with our Athletic Trainers as our leaders in that collaboration. We provide unparalleled clinical support to our athletic trainers, with a hallmark multi-level support system that provides our Athletic Trainers clinical assistance from many members of the sports medicine team. That support system creates a professionally stimulating environment and provides our Athletic Trainers the opportunity to leverage the sports medicine team to reach new clinical heights!

Premier Physical Therapy and Sports Performance Athletic Trainers play an integral role in educating our physical therapy sports residents, who serve in the Athletic Training room and on the fields while learning from and assisting our Athletic Trainers. Our sports residency program, is one of only two fully accredited sports residency programs in Delaware, and one of only 40 in the country. Our Athletic Trainers play a critical role in the success of that program and enjoy the support of another clinician on a regular basis! Premier Physical Therapy also has a nationally recognized worker's compensation program called Fit2Wrk. Our Athletic Trainers are the leaders in our focus on the prevention and treatment of injuries to the industrial athlete as a part of that program.

Premier Physical Therapy and Sports Performance was founded by two Physical Therapists, Tom Windley and Pat Williams, in 2007. Since that time, we have developed six physical therapy centers in Delaware from Wilmington to Lewes providing Athletic Training outreach to six high schools, one college, and many youth sport organizations. We anticipate continued opportunities to grow our Sports Medicine footprint and our Fit2Wrk programs throughout Delaware.
