

April 2015

Dear MOT Area Business,

It is once again time for the **7th Annual Race to Find a Cure 5k** managed by the Middletown Athletic Club, to be held Saturday, June 6th, 2015.

The **Middletown Athletic Club** will support the **American Cancer Society** and local **Middletown Relay for Life** officials in again bringing this year's event to the Middletown community. This year's event will be held Saturday morning, immediately following closing ceremonies for the **Middletown Relay for Life**.

As in the past, all proceeds from the race will be donated to the **American Cancer Society**.

If you choose to sponsor this event, please send a check for \$200.00 and a camera-ready logo to **Premier Physical Therapy & Sports Performance at 200 Cleaver Farm Rd. Suite 400 Middletown, DE 19709 by Friday May 22nd** (*I will be happy to stop by your business to pick it up if you request me to do so*). In return for your sponsorship, your company logo will be placed on the online registration page for the race at <https://www.signup2raceusa.com/registration/race2findacure/>. Your company name will also be on Premier Physical Therapy's website at www.premierptsp.com/race-to-find-cure and on Middletown Athletic Club's website at www.macrunning.com. Your company logo will appear on the back of the race shirts given to all race pre-registrants. Your company name will also be announced just prior to the race and during the awards ceremony after the race.

We hope that we will be able to count on your support this year. Last year, our sponsors helped us raise over \$4000 for the American Cancer Society. If you are not able to sponsor this event, we hope you will consider volunteering your time or registering to run or walk to support The American Cancer Society.

Sincerely,

Tom Windley
MAC Board Member
